
FACULTY (OPEN RANK) OUTPATIENT NEUROLOGY, MHH SOUTHWEST - MCGOVERN MEDICAL SCHOOL

[McGovern Medical School](#) at [UTHealth Houston](#), [Department of Neurology](#), is seeking a full-time Board-Certified or Board-Eligible General Neurologist to join an outpatient practice at Memorial Hermann Southwest Hospital. This position is designed for an experienced, highly efficient clinician who is comfortable managing a high-volume ambulatory practice while delivering excellent patient care.

The role is primarily outpatient. No inpatient coverage is required. Limited inpatient responsibilities are available if desired but would make up a small portion of the role.

Position Key Accountabilities:

- Provide comprehensive outpatient neurology care for adult patients with a broad range of neurologic conditions, including headache, epilepsy, movement disorders, peripheral neuropathy, multiple sclerosis, and cognitive disorders.
- Manage a high-volume clinic with a focus on efficiency, access, and continuity of care.
- Perform office-based procedures, including EMG and botulinum toxin injections, as appropriate.
- Coordinate care with primary care physicians and other specialists to support optimal patient outcomes.
- Ensure accurate and timely documentation and appropriate coding.
- Participate in a shared outpatient call pool for non-urgent clinical issues, with coverage limited to several weeks per year.
- Maintain clinical productivity consistent with a high-performing outpatient neurology practice.
- Participate in the education of medical students, neurology residents, and, when applicable, neurophysiology fellows.
- Contribute to departmental clinical operations and quality efforts as needed.
- Attendance at weekly Neurology Grand Rounds and monthly Neurology faculty meetings (virtual option is provided)

Compensation and Productivity:

Compensation includes a competitive salary and an RVU-based model aligned with high clinical productivity, **typically ranging from 9,000 to 10,000 RVUs** annually, and commensurate with experience.

Qualifications:

- MD or DO degree from an accredited medical school
- Completion of an ACGME-accredited Neurology residency
- Board Certified or Board Eligible in Neurology
- Eligible for holding an unrestricted Texas Medical license
- Eligible for hospital privileges at affiliated facilities

Qualified applicants must demonstrate a commitment to excellence, discovery, and service, have the potential to be outstanding in their field of expertise, and share an interest in fulfilling the common goals of McGovern Medical School at UTHealth Houston.
