
FACULTY (OPEN RANK), GENERAL INPATIENT & VASCULAR NEUROLOGY INPATIENT AND TELEMEDICINE NEUROLOGY, MCGOVERN MEDICAL SCHOOL

[McGovern Medical School](#) at [UTHealth Houston](#), [Department of Neurology](#), seeks an experienced full-time neurologist to provide inpatient care [at Memorial Hermann Hospital-TMC](#). Located in the [Texas Medical Center](#) in the heart of Houston, this position is affiliated with McGovern Medical School, the 11th largest medical school in the nation.

The successful candidate will join a distinguished academic neurology program to provide comprehensive care through inpatient consults, stroke care, and up to 26 weeks of annual telemedicine coverage. As a leading academic medical center, we consider research and teaching integral to our mission. We welcome candidates interested in participating in clinical trials, grant-funded research, or teaching opportunities with medical students, residents, and fellows. Academic rank will be commensurate with academic accomplishments and experience.

Qualifications:

Medical degree (MD or DO) from an accredited medical school

- Graduate of an ACGME-accredited neurology residency
- ABPN Board Eligible or Board Certified
- Active ABPN board certifications
- Texas medical license (or eligible to be licensed)
- Outstanding clinical, interpersonal and communication skills, coupled with excellent administrative and organizational abilities.
- Commitment to providing compassionate and patient-centered care
- Completion of vascular neurology fellowship is preferred

Qualified applicants must demonstrate a commitment to excellence, discovery, and service, have the potential to be outstanding in their field of expertise, and share an interest in fulfilling the common goals of McGovern Medical School at UTHealth Houston.
